VII. Graduation cords for athletes

Michelle checking back at the Google doc to see if she had gotten any responses for Lisa to start making the cords. Sarah said an adjustable baseball hat might be worth looking into for those that don't like trucker hats. Adriana was asking about the rally towels ASB did, Lisa said they are good for golf bag rags but not much else. Adriana said we should do something at the beginning of next year. Michelle suggested we do the Cardinal Strong shirts again but also add something on the back and have a womens cut as well as a mens cut. Adriana suggested we involve ASB.
